

# ACTION ON WATER

**We'll handle water with the care it deserves across our business and our value chain.**

---

We'll protect the sustainability of the water sources we use for future generations.

---

We'll reduce the water we use in manufacturing by 20% — and address water impacts in our supply chain.<sup>4</sup>

---

We'll replenish 100% of the water we use in areas of water stress.

**Baseline is 2010 and target date is 2025 unless otherwise stated**

<sup>4</sup> Water use ratio, litres of water per litre of finished product produced.
